

The Pickens Sentinel-Journal.  
THURSDAY, APRIL 30, 1903.  
Happenings of a Local and Personal Nature.

—Don't forget the early closing of the stores the 1st of May.

—Dr. W. F. Austin, dentist, will be in Easley May 5th and 6th.

—When you want bargains in most anything go to R. C. Carter, Liberty.

—Sheriff McDaniel's bag patch of wheat is looking fine; it has begun to head out.

—R. C. Carter, Liberty, has a few more northern seed Irish potatoes to sell at 80c a peck.

—Miss Sadie Richey is visiting her friend, Miss Morgan, daughter of J. R. Morgan, of Prater.

—N. D. Taylor, photographer, has his studio nicely fitted up and did some nice work this week.

—Hands Wanted—We want a lot of hands at once; good wages paid. 2w23a. Pickens Brick Yard.

—There was little improvement in small grain during the last ten days. The latest sown wheat looks the best.

—C. J. Murphy, clerk of the U. S. district court, spent Sunday in Pickens, the guest of Col. J. E. Hagood.

—Mrs. Flora Latham and children, of Clinton, attended the funeral of her brother-in-law, Dr. J. J. Morgan.

—There is some fun in planting 10 cotton, even if it does drop to 7 cents by the time it is ready to market.

—If you want to get bargains in most of goods read the advertisements in the Pickens Sentinel-Journal every week.

—Miss Hester Cureton, who has been on a visit to her sister, Mrs. W. E. Robinson, of Arlington, S. C., returned home Saturday.

—Dr. W. T. Field, of Pickens county, who is a veteran of Lee's army, has been in the city this week—Greenville Mountaineer.

—You can always count on a fall and regular stand of crab grass by the last week in April. That is one sure crop in the Piedmont.

—There will be an all day singing at Ke-wee church the first Sunday in May. Everybody come and bring well-filled baskets and song books.

—Read ad. of J. D. Moore; he is again in the produce business in Pickens and will give you the market price on everything you have to sell.

—Deputy Marshal J. T. McKinney has been confined to his room because of sickness for several days. He is now much better and will soon be out again.

—Mrs. John P. Griffin and daughter, Little Miss Clara, are visiting relatives at Fairfield, Anderson county; and policeman Griffin looks mighty grim these days.

—N. D. Taylor, photographer, will be in his studio, Carey building, on Tuesday and Wednesday, May 5th and 6th. Remember the date and call on him for first class work.

—Johnnie Harris, son of our townsman, T. D. Harris, while playing last week, had the misfortune to fall and break his arm, near the elbow. The doctors were called in and set the broken limb and the little fellow is doing as well as could be expected.

—The projected trolley line between Anderson and Greenville is meeting with enthusiastic endorsement along the entire line. Belton, Williamston and Greenville have granted a liberal charter, and the engineers, it is said will soon begin locating the line.

—A party of young men spent a portion of last week up in the mountains on a fishing trip. They say the suckers bit right along and that their luck was phenomenal. Unfortunately for their friends, they ate all the fish caught and failed to bring any back with them.

—The first Government cotton report was sent out the 15th instant. Planting had progressed finely except in the flooded districts on the Mississippi, the upper portions of South Carolina and Georgia. Good stands were coming up and the prospects were fair.

—Cards are out announcing the marriage of Miss Annie Lizette Welborn to Mr. Henry D. Hendricks, of Anderson, at the residence of the bride's parents, Mr. and Mrs. Judge M. F. Welborn, at their beautiful country home, three miles north of Pickens tonight, the 30th instant.

—Mr. Abe Mauldin, who is one of the best farmers in this county, will make magnificent crops this year; all of his land has been well prepared and put in fine fix, and despite the incessant wet weather this year, he is well advanced with his farming operations and his crops are now "bumping themselves."

—Solicitor J. E. Boggs has been in attendance upon the Federal court at Greenville, as the prosecutor; attorney in the case of the State against Van Freeman for the killing of one Durham, in Spartanburg county. Mr. Freeman being a gauger, in the employ of the U. S. government, at the time, necessitated the trial being in the U. S. court.

—The first "Gasomobile" (commonly called "goober" parcher) to run on wheels, ever brought to Pickens, has been purchased by Craig Bros. It is a "trick" and always has a supply of nicely roasted peanuts at the right temperature. It elicited considerable comment and no little surprise as it was being put up by James B. Craig.

—The County Superintendent of Education hopes to make the occasion of the meeting of the trustees of the various schools in the county a noteworthy affair this coming July. The State Superintendent, Mr. Martin, will deliver an address and it is hoped that Governor Heyward also will find time to be present and speak. The people of this county were delighted to hear of his coming as a guest.

—Read R. C. Carter's new advertisement and see how you like his prices.

—J. E. Hagood, Jr., of Easley spent Sunday in Pickens with his father, Col. J. E. Hagood.

—Mrs. E. B. Webb is spending a while with her father's family at her old home in Clarksville, Ga.

—This section had narrow escapes from frost several mornings the past week. The winds kept it away.

—Mrs. W. E. Robinson, of Arlington, S. C., is on a visit to her parents, Dr. and Mrs. J. D. Cureton, in Pickens.

—If you are looking for a nice line of spring and summer shoes, do not fail to see the stock carried by John F. Harris.

—Read Craig Bros. advertisement, after which you cannot afford to miss them when hunting for the best goods for the least money.

—Mrs. Dr. W. A. Long, of Philadelphia is visiting the family of Prof. Dendy. Mrs. Long and Mrs. Dendy were school mates several years ago at Wilson College, Maryland.

—FOR SALE—Eggs for hatching from pure bred barred Plymouth Rock—50 cents per dozen. Address with stamp for reply, Mrs. L. A. Dickson, Meek, S. C.

—The State Superintendent of Education has issued a statement that the State summer school for teachers would be held at Winthrop College from June 23d to July 22d. The details of the program have not been mapped out, but the very best instructors available will be employed.

—John Brown, colored, who is known all over this county, died at his home in the Oakes Mountain section, Monday morning, of consumption. Jesse Davis, also colored, had charge of the funeral arrangements and was in town that evening getting donations to help defray the expense of burial.

—Mr. James M. Martin, of Easley, who is more widely known as "Martin from the Creek," was in the city several days ago. He gave us the pleasing information that he is now a teetotaler, and says he will never again use intoxicating liquor as a beverage. He is still an ardent Republican, but is not using "the ardent" any more—Greenville Mountaineer.

—The Isaquena cotton mill, Central, S. C., mentioned two weeks ago, will start on its new mill at once. It will install 10,000 spindles and 275 wide looms, all of which have been contracted for. The kind of goods has not been decided upon. Steam power will be used. Plans are now being drawn for the plant. O. K. Norris is president. The superintendent and treasurer have not been selected yet.—Fibre and Fabric.

—The annual division of the pension fund is now being made; the warrants are being sent to the various county clerks and soon the old warriors will be spending the pittance given them, but not grudgingly, by this State. The number of beneficiaries has increased very much since last year, the greatest increase being noticed in Anderson, Greenville and Spartanburg counties. The amount of money to be divided with old soldiers in Pickens county is \$5,287.05. We hope each one entitled to a share in this amount will soon get it and that it may prove a blessing and a real enjoyment to them.

—Mr. William J. Burty of this city and Miss Florence Boggs, of Liberty, were married yesterday at 1 o'clock at the residence of the bride's parents, Mr. and Mrs. John T. Boggs, the Rev. W. L. Boggs, of Greenville, officiating. Shortly after the ceremony Mr. and Mrs. Burty boarded the northbound train for Greenville, arriving here at 2:30 p. m. They will make their home at Mrs. White's boarding house. Mr. Burty is a contractor and a young man of splendid qualities. Miss Boggs is very popular at Liberty and has many friends who were loath to part with her.—Greenville News, 28th inst.

—County Superintendent of Education Hallum spent last week among the schools and has just returned from visiting the schools at Central and Calhoun. He is delighted with the way he was received by the teachers and pupils and says the schools are in excellent condition and thoroughly managed. He also states that the trustees of the school at Liberty expect to establish a graded school in that enterprising little town at the commencement of the next scholastic year. The people of Liberty have long felt the need of such a school and there is no doubt that the action of the trustees will be approved by all concerned.

—Easley's crack ball team came up last Friday evening to play ball with the Pickens boys and brought along a goodly crowd of young ladies and rooters to see them wipe up the earth with our boys, but they went back "sadder, if not wiser" fellers. The Pickens boys had not played ball since the Central games last August, but their reputation was at stake and they all came together with a grand rush, got their "Irish" up and put up a good fight, and at the finish the score stood 14 to 10 in favor of our team. We sympathize with Easley in her defeat and hope they can yet learn to play ball; and win a few games. To them, and all other would-be champions, we want to whisper this in your ear: "You will never catch the Pickens boys napping." They have the making of good players in them, and will always put up a good fight, for they do not know what the word "fail" means.

—Early Closing.  
We, the undersigned merchants of the town of Pickens, agree to close our places of business at 6:30 p. m., commencing 1st of May, 1903, until 1st of September, 1903. Saturdays and public days excepted.

Those who led in singing in the morning were, Prof. J. F. Lesley, C. C. Foster, J. T. Bagwell, W. M. Murphy and W. W. Norris. A collection was taken by the church for Foreign Missions. Adjourned one hour for dinner.

Lesley and M. O. Looper.

Those who led in singing in the afternoon were Prof. R. M. Bolding, M. O. Looper, Bennett Owens, P. D. Dacus, Lemuel Chapman, E. M. Bolding and Arthur Ramsey.

Timber Land Purchased.  
Capt. R. E. Johnston, of the Saluda River Lumber Company, and C. G. Drake have returned from a trip to the mountain section of Greenville county.

When seen by a News man, Capt. Johnston said that he had added to this possession of the Saluda River Lumber Co., 20,000 acres of timber land. With the assistance of Mr. Drake he has secured in all 60,000 acres.

Capt. Johnston says he hopes soon to have industries started in this county that will employ over 1,000 laborers. It is the purpose of his company to start a furniture factory, together with a buggy factory. Near Mr. Drake's home at Carl postoffice it is also the purpose of the company to establish a plant for making extracts for tanning purposes.

Mr. Drake says there is unlimited water power in the country surrounding his home. On Fall Creek at one place there is a water fall of over 300 feet and also a strong fall on "Head-foremost" Creek.

It is rumored that the old Swamp Rabbit road is to be rebuilt, extending as far as Carl postoffice, a distance of 24 miles. The road will be run for the purpose of furnishing a means of hauling the lumber to be secured in that section.

It is said that a movement is on foot for the development of all the upper section of Greenville county and that in a few years lumber mills and other industries will be a common sight with the mountaineers.—Greenville News.

Dr. Jesse J. Morgan Dead.  
The death of Dr. Jesse J. Morgan, one of the most prominent and influential men of Pickens county, occurred Monday morning at about eight o'clock at his home in Dacusville.

For the past twelve months, Dr. Morgan has been confined to his home and during that period he has undergone intense suffering. He was 42 years old.

He was born and reared in this county, near where he died, and was a son of the late B. F. Morgan, at one time Treasurer of this county.

When about twenty years old, he deceased was graduated from the college for physicians and surgeons of Baltimore, Md. Since that time he has been engaged in the work of his profession and had acquired a large practice, extending over the eastern portion of Pickens county and the western portion of Greenville county.

Dr. Morgan was an active member of the Dacusville Methodist church and was also a Mason, being a member of the lodge at Easley. He was a man of strong intellect and powerful influence which extended throughout the community in which he lived. As a physician he ranked among the first. He was a leader in all local matters that tended towards the upbuilding of his community and the advancement of his friends and neighbors.

In fact Dr. Morgan was regarded as one of the strongest men in the Dacusville community, a man whose advice was frequently sought and who was respected and esteemed by those who knew him.

About twelve years ago the deceased married Miss Ella Latham, who survives him, together with four children.

The deceased was a brother of Jas. H. M. A. and B. A. Morgan of Greenville. The following sisters survive: Mrs. R. A. Bowen and Mrs. Florence Griffin of Pickens, C. H. and Mrs. J. N. Morgan, of Central. The deceased was also an uncle of Mrs. T. M. Norris of Catechesse, and O. S. Bolt, of Laurens, children of Mrs. Mamie Bolt, deceased.

The funeral service took place Tuesday at noon at the Dacusville Methodist church which is located a very short distance from the late residence of Dr. Morgan.

The following friends and neighbors of the deceased acted as pallbearers: John Looper, Wm. Traynham, Frank Hogsdon, John Turner, John Jones, George W. Griffin, T. P. Robinson and M. V. Hunt.

To the bereaved family and relatives the sympathy of the entire county is extended in this, their hour of sadness.

Notice of Election.  
The voters of each school district of this County are requested to meet at their respective school houses on May the 9th, 1903, for the purpose of electing three trustees to serve from July 1st, 1903, to July 1st, 1905. The members of the present boards of trustees will act as managers. The clerk of the board is requested to send to this office the result of the election on the following day. It is of the utmost importance that every one that is interested in education and the welfare of their school district should turn out and vote, for good trustees means good management.
